RE: Friends of Farr (FEC ID #C00290429)

Dear Mr. Whyrick:

We are in receipt of you September 9, 2008 correspondence regarding the above-referenced Committee s failure to file a last minute report.

Please be aware that the last minute report was not timely filed prior to the election because information regarding the in-kind contribution was not received from the contributor until after the election. The contribution was properly disclosed on the Committee s semi-annual report.

The Committee has reviewed its procedures to ensure to the maximum extent possible that contributions received during the late period are properly reported.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Sidney Slade, Treasurer
